

Gibson Dunn Ranked in the 2026 Edition of Lexology Data 100 Global Elite

Accolades | December 22, 2025

Lexology

Gibson Dunn has been ranked No. 7 in the 2026 edition of *Lexology* Data 100 Global Elite (formerly *Global Data Review* 100), which recognizes “the world’s best data law firms.” Highlighted as a “powerhouse in US litigation and contentious work,” the firm was ranked No. 2 in Litigation, and No. 6 for both Investigations and Advisory. The publication added that the “firm is routinely tapped to work for the biggest clients on global and truly business-critical issues.”
