

Gibson Dunn Receives Thomson Reuters SYNERGY Award for Change Champion

Accolades | November 21, 2025

Thomson Reuters

Gibson Dunn has been honored with the Thomson Reuters SYNERGY Award for Change Champion for its visionary ability to “translate leading AI and legal tech into practical business solutions while bringing people along on the transformation journey.”

Presented at the SYNERGY 2025 conference for legal professionals in Orlando, Florida, the award “celebrates those who don’t just adapt to change, but champion it — collaboratively, strategically, and with lasting results.”
