

Gibson Dunn Recognized by Pro Bono Resource Center of Maryland With 2025 Law Firm Award

Accolades | June 17, 2025

Pro Bono Resource Center of Maryland

Gibson Dunn has been honored by the [Pro Bono Resource Center of Maryland](#) (PBRC) with the 2025 Law Firm Pro Bono Service Award. The award recognizes “innovative approaches to the delivery of free legal services and the encouragement of participation by the greatest number of attorneys relative to that firm’s size.”

In announcing the award, the PBRC commended our firm for its commitment to ensuring that “all people, regardless of their income level, could access zealous legal representation and vindicate their rights through the courts.”

In 2024, our lawyers dedicated more than 206,000 hours to pro bono work across a wide range of issues — the result of a joint effort across all our 21 offices, with more lawyers participating than ever before.
