Global Restructuring Review

Global Restructuring Review listed Gibson Dunn among the GRR 100 2024, the “annual guide to the world's leading law firms for cross-border restructurings and insolvencies.” The publication noted that the firm “prides itself as a leading lender practice with a significant market share, particularly in the secured lending space” and that it “is often at the fulcrum of security, taking control of companies in distress in aggressive liability management transactions.” The profile was published on November 26, 2024. Gibson Dunn’s Business Restructuring and Reorganization Practice Group specializes in representing creditor and stakeholder groups in the nation’s largest and most complex restructurings and is a pioneering leader in the liability management space. The world’s leading credit investors and businesses turn to our practice to lead them through complex restructurings and devise innovative, market-moving financing solutions with peerless acumen, judgment, and credibility that will withstand scrutiny in all manner of judicial forums.
