

Gibson Dunn Recognized in 2025 Chambers Crisis & Risk Management Guide

Accolades | June 25, 2025

Chambers and Partners

Gibson Dunn has once again been ranked in the [Chambers and Partners Crisis & Risk Management guide](#). The firm was recognized in two categories in the 2025 edition: Environmental, Social & Governance Risk (Global-wide) and Crisis Management (USA – Nationwide). Described by clients as “absolutely fantastic — she’s really on top of the brief and really understands the complexities of the issues,” London partner Susy Bullock was recognized for her work in Environmental, Social & Governance Risk. Partner and Chair of our Crisis Management Practice Group, Debra Wong Yang, was ranked in Crisis Management. The guide praised her as “an acclaimed white-collar crime defense expert, frequently advising high caliber clients on complex investigations, disputes and reputational matters.”
