Gibson Dunn Recognized in 2025 IAM Patent 1000 Guide

Accolades | June 3, 2025

IAM Patent

Gibson Dunn is once again ranked in the IAM Patent 1000 guide, which “shines a spotlight on the firms and individuals that are deemed outstanding in the pivotal area of patent law.” The 2025 edition of the guide recognizes our National, California, New York, Washington, D.C., and Texas patent practices, referring to our firm as “a frontrunner in the world of US patent litigation” that “is revered across the nation by clientele as a well-oiled machine highly adept at handling contentious matters in every venue.”

The guide also recommends 14 Gibson Dunn partners as “individuals who stand out for their exceptional skill sets and profound insights into patent matters”: Wayne Barsky, Brian Buroker, Benjamin Hershkowitz, Charlotte Jacobsen, L. Kieran Kieckhefer, Josh Krevitt, Jason Lo, Jane Love, Mark Reiter, Brian Rosenthal, Karen Spindler, Daniel Thomasch, Robert Trenchard, and Robert Vincent.
