

Gibson Dunn Recognized in Asset Management and Government & Public Affairs by China Business Law Journal

Accolades | May 19, 2021

China Business Law Journal

Gibson Dunn was recognized as a leading international firm by *China Business Law Journal* in the Asset Management and Government & Public Affairs categories at its annual 2021 awards. The awards are based on “thousands of votes and recommendations from domestic and international corporate counsel, decision-makers from management, legal academics and government officials,” as well as on the “significant transactions, cases [and] other notable achievements in which each firm has been involved in the past year.” The awards were announced on May 17, 2021.
