Accolades | December 6, 2023

Chambers FinTech

Gibson Dunn was recognized in the 2024 edition of *Chambers FinTech*, a guide to the best law firms and lawyers in the global fintech industry. The firm was ranked in the Singapore: FinTech Legal, USA: Crypto-Asset Disputes, and USA: FinTech Legal categories. Singapore of counsel Grace Chong was recognized as a leading lawyer in the Singapore: FinTech Legal category and as an expert based abroad in the China: FinTech Legal (International Firms) category. Dubai of counsel Sameera Kimatrai was recognized as an Associate to Watch in the United Arab Emirates: FinTech Legal category. The guide was published on December 5, 2023. Gibson Dunn recognizes the strategic imperative facing both new market entrants and incumbent players in fintech. In response, we have developed a market-leading offering that brings together a diverse set of capabilities—advisory, transactional, policy, and supervision and enforcement—which, when deployed together, enable our clients to accelerate growth seamlessly around the world. Ours is a team with diverse backgrounds and deep experience. It has unparalleled depth based on experience in private practice, in-house and at senior levels of government, including at FinCEN, the Securities and Exchange Commission, the Department of Justice, the Commodity Futures Trading Commission, the Office of Foreign Asset Control, the New York Department of Financial Services and other state agencies. This range of perspectives allows us to offer comprehensive strategic insights that address the needs of our clients, while balancing the expectations of their regulators and other stakeholders.
