GIBSON DUNN

Gibson Dunn Represented BVP Forge-Backed Medisolv in Acquisitions of Health Elements AI and Lilac Software

Firm News | May 7, 2026

Gibson Dunn represented BVP Forge-backed Medisolv, a national leader in healthcare quality data management, in its acquisition of Health Elements AI and its acquisition of Lilac Software. Health Elements AI is a leading provider of AI-first software that automates the abstraction of healthcare data for clinical registries and quality reporting. Lilac Software is a leading provider of AI-powered data analytics for healthcare organizations.

The Gibson Dunn M&A team was led by partner Abtin Jalali and included associates Andy Strader and Francesca Faugno. Partner Daniel Angel and associate Jocelyn Shih advised on IP aspects. Partner Matt Donnelly and associate Jason Zhang advised on tax aspects. Partner Michael Collins advised on executive compensation and employee benefits. Partner Cromwell Montgomery and associate Stephen Arvid Berg advised on debt finance.
