Gibson Dunn Represented Macquarie Asset Management in Acquisition of South American Wireless Tower Operations of IHS Mauritius BR

Firm News | February 20, 2026

Gibson Dunn represented Macquarie Asset Management in its acquisition of the South American wireless tower operations of IHS Mauritius BR Limited, part of IHS Holding Limited. The transaction implies an enterprise value of approximately R$3,550 million (US$685 million). IHS Towers is one of the largest independent owners, operators, and developers of shared communications infrastructure in the world, by tower count. Under the terms of the agreement, Macquarie Asset Management will acquire over 8,500 sites in Brazil and 270 sites in Colombia. Our team was led by partners Tomer Pinkusiewicz and Jamal Lama, while Machado Meyer served as Brazilian counsel.
