GIBSON DUNN

Gibson Dunn Served as Special Counsel to Molex in Acquisition of Smiths Interconnect

Firm News | October 22, 2025

A Gibson Dunn team served as special counsel to Molex, a leading global electronics connectivity innovator and subsidiary of Koch, Inc., in its acquisition of Smiths Interconnect, a leading provider of high-reliability connectivity products and solutions serving the aerospace and defense, medical, semiconductor test, and industrial markets. Our team was led by partner Eric Sloan and included partners Kathryn Kelly and Sandy Bhogal and associates James Chandler, David Horton, and Jason Richards.
