Debtwire

Gibson Dunn finished in the top spot in *Debtwire's* 2024 lead counsel league table.

According to *Debtwire's* North America 2024 Restructuring Advisory Mandates Report, the market "shift toward out-of-court restructurings benefited Gibson Dunn, whose creditor-focused advisory work helped secure the top spot on Debtwire's 2024 lead counsel league table."

In addition to setting the bar on the year-end tables, Gibson Dunn also closed out the month of December strong – claiming the first-place position in the lead counsel monthly table.
