Gibson Dunn secured the #1 spot for Global Principal Advisors Announced in Q1 per LSEG's M&A Legal Advisors, while also claiming the #2 spot in Bloomberg Law's Q1 Global M&A League Tables, having advised on 59 deals valued at over \$334 billion. This accomplishment was the result of our clients trusting us on a number of highly complex megadeals, including SpaceX's merger with xAI — the largest M&A transaction in history. The firm was also ranked #2 in U.S. M&A and #2 in Global and U.S. Private Equity by Bloomberg, further cementing Gibson Dunn's position as a leading M&A platform.
