Accolades | November 14, 2025

For the eighth consecutive year, Gibson Dunn is ranked No. 1 in Global Investigations Review's GIR 30, its annual ranking of the 30 "best law firms for complex multijurisdictional corporate investigations."

The 2025 edition of the publication noted our firm's "decades of high-stakes enforcement work and … consistent presence in landmark cross-border matters" and that the practice has expanded "into emerging areas such as cryptocurrency enforcement, while continuing to advise on complex monitorships and sanctions matters." It added: "The firm's long-standing model of cross-office collaboration – particularly between US and international teams – has enabled it to maintain continuity in multi-jurisdictional matters and respond effectively to evolving regulatory regimes." The GIR 30 was announced on November 14, 2024.

This is our firm's tenth No. 1 ranking in the past 11 years.
