GIBSON DUNN

In Law360 Article, Michael Holecek, Andrew Kilberg, and Tim Kolesk Describe How DOL Rule Would Preserve App-Based Contractor Work

Article | March 9, 2026

Law360

Writing for Law360 [PDF], partners Michael Holecek and Andrew G.I. Kilberg and associate Tim Kolesk discuss how the U.S. Department of Labor's proposed 2026 independent contractor rule "would help preserve flexible, independent work arrangements in the gig economy, particularly for app-based models."
