

Jason Schwartz Co-Authors New Edition of “Whistleblower Law: A Practitioner’s Guide”

Article | August 1, 2025

Whistleblower Law: A Practitioner's Guide

Partner Jason Schwartz is co-author of *Whistleblower Law: A Practitioner’s Guide*, Release 16. This edition features the first-ever Operating Plan released by the U.S. Internal Revenue Service (IRS) Whistleblower Office, outlining six strategic priorities aimed at improving efficiency, fairness, transparency, and data protection through 2027.

It also covers the IRS’s 2024 updates to its Internal Revenue Manual, which clarify disaggregation criteria for earlier whistleblower awards and improve Freedom of Information Act response procedures to better protect whistleblower records.
