

Jason Schwartz Co-Authors New Edition of “Whistleblower Law: A Practitioner’s Guide”

Article | April 6, 2023

Whistleblower Law: A Practitioner’s Guide

Washington, D.C. partner Jason Schwartz is the co-author of *Whistleblower Law: A Practitioner’s Guide*, Release 12. The book highlights several whistleblower law issues, including “how the SEC expanded the circumstances under which whistleblowers may be rewarded for their contributions to enforcement by authorities other than the SEC,” as well as “how the SEC barred itself from considering the monetary amount of a potential award for the purpose of lowering it, thereby limiting the Commission’s ability to reduce award payment.” The book was published in March 2023. Jason Schwartz is co-chair of the firm’s Labor & Employment Practice Group. His practice includes sensitive workplace investigations, high-profile trade secret and non-compete matters, wage-hour and discrimination class actions, Sarbanes-Oxley and other whistleblower protection claims, executive and other significant employment disputes, labor union controversies, and workplace safety litigation.
