

Keith Enright Joins Future of Privacy Forum CEO for Discussion on Range of AI Topics

In the Media | July 18, 2025

LinkedIn Live

Partner Keith Enright joined Future of Privacy Forum CEO Jules Polonetsky for a discussion covering a range of topics, including Keith's reasons for joining Gibson Dunn, what it's like to counsel on AI, and how regulators are handling the challenges of AI.

Keith serves as Co-Chair of Gibson Dunn's Tech and Innovation Industry Group and the Artificial Intelligence Practice Group.
