Law360 [PDF] featured partner Kate Timmerman after she completed her third New York Marathon while raising money for The Bowery Mission, a nonprofit supporting homeless New Yorkers where she also volunteers.

“So many friends, colleagues and clients came out to cheer us on, while others followed the team from abroad,” Kate said. “NYC has unmatched energy on marathon day, and it's always amazing to see the city come together. Our marathon team is so grateful for the support as we continue to raise awareness and funds for The Bowery Mission's work to serve New York's most vulnerable.”
