Law360

Law360 named Gibson Dunn one of its three International Arbitration Groups of the Year for 2023. The firm was recognized for aiding "hip-hop mogul Jay-Z in navigating closely watched arbitration hearings and related litigation as he sparred with liquor giant Bacardi over the multibillion-dollar valuation of their joint cognac venture." The profile was published on February 15, 2024. Gibson Dunn's International Arbitration Practice Group advises leading multinational corporations in arbitration proceedings around the world. We regularly assist clients in litigation involving arbitration issues and have represented clients in national court proceedings under the Hong Kong Arbitration Ordinance, the U.S. Federal Arbitration Act, the English Arbitration Act and the New York Convention. The International Arbitration group's lawyers have appeared before many of the world's leading arbitrators and work with all major arbitral institutions and rules.
