GIBSON DUNN

Law360 Names Gibson Dunn Among its 2023 Energy Practice Groups of the Year

Accolades | February 9, 2024

Law360

Law360 named Gibson Dunn one of its six Energy Groups of the Year for 2023. The profile was published on February 8, 2024. Gibson Dunn's Energy Practice Group has a wide array of experience across all parts of the energy sector – from traditional sources of energy such as oil and gas and electric utilities to renewable forms such as solar and wind. The firm has handled energy-related matters involving numerous practice areas, including mergers, acquisitions and divestitures; debt and project finance; capital markets; joint ventures; fund formation; project and infrastructure development; dispute resolution; commercial arrangements; and all manners of energy-related regulatory and antitrust issues.
