Orange County

Brian W. Anderson is a litigation associate in the Orange County office of Gibson Dunn where he is a member of the firm's Litigation Department, the Antitrust and Competition Practice Group, and the Class Action Practice Group. His practice focuses on antitrust litigation as well as civil litigation in various substantive areas of law.

Representative antitrust experience:

- Represented through trial a top electronics company facing antitrust complaints attacking the core of its business mode
- Represented a software platform operator in two parallel antitrust class actions brought on behalf of third party software developers and consumers in which one class was denied class certification and the other class entered a settlement favorable to the client
- Helped navigate a large technology company through a successful summary judgment motion resulting in the complete dismissal of all antitrust claims
- Represented a pharmaceutical manufacturing company in antitrust class action litigation arising out of ANDA patent litigation
- Represented a prominent health insurance company in antitrust class action litigation brought against it by independent pharmacies

Representative litigation experience:

- Asserted nearly two dozen patents on behalf of a preeminent biopharmaceutical company in two different parallel suits, successfully opposing a critical preliminary injunction and helped navigate both cases to favorable settlement
- Represented one of California's largest farms in a labor dispute against an absent union
- Represented a technology company in seeking reconsideration of a decision from the United States Supreme Court on constitutional grounds
- Provided legal advice to a Southern California municipality regarding a dispute with a mobile electric scooter rental service
- Provided key damages analysis for one of the nation's largest telecommunications companies in a patent dispute which resulted in a favorable settlement
- Represented the manufacturer of highway safety devices in a string of half-a-dozen products liability suits, simultaneously
- Conducted an investigation into an incident regarding a possible oil spill on behalf of large energy company
- Helped navigate a large university to settle complaints from dozens of individual
