Dallas

Michael Andrews is a corporate attorney in the Dallas office of Gibson, Dunn & Crutcher. His practice focuses on complex business transactions, including mergers and acquisitions, private equity investments, growth and venture investments, spin-offs, exits, and general corporate matters, with a specific emphasis on the technology industry.

Previously, Michael served as Associate General Counsel of ECI Software Solutions, a leading provider of industry-specific business software solutions and services, where he advised the company on all aspects of its business, including mergers and acquisitions, international transactions, third-party commercial transactions, and technology licensing and deployment. Prior to joining ECI, he was a corporate attorney in the Dallas office of Vinson & Elkins.

Michael earned his law degree *summa cum laude* and as Valedictorian from the SMU Dedman School of Law, where he served as an Associate Texas Survey Editor on the *SMU Law Review* and was a member of the Order of the Coif and the SMU Barristers. He graduated with Bachelor of Business Administration in Finance from Dallas Baptist University.

Michael is a member of the Texas Bar and admitted to practice in the State of Texas.
