London

Thomas Barker is an English-qualified of counsel based in Gibson Dunn's London office. He is a member of the firm's Mergers and Acquisitions, Private Equity, Technology Transactions, and Capital Markets Practice Groups.

Thomas advises listed companies, financial institutions, and private equity funds on complex cross-border transactions. His broad corporate practice covers mergers and acquisitions, joint ventures, equity issues, public offerings, restructurings and securities law advice.

Thomas has a particular focus on the TMT and Digital Infrastructure sectors advising clients on high-value corporate and commercial matters. He also has significant experience in private equity, advising sponsors such as Blue Owl, Lone Star and Brookfield in Europe and North America and Fajr Capital, Gulf Capital, Investcorp, and Jadwa in the MENA region.

Thomas is recognised by The Legal 500 UK 2024 for Equity Capital Markets – Mid-High Cap, and is ranked as a Notable Practitioner in M&A for the UAE by the IFLR1000 2022 edition.

Thomas read Philosophy, Politics, and Economics at the University of Oxford before completing the Graduate Diploma in Law at BPP Law School and the Legal Practice Course at Kaplan Law School.

Selected M&A experience advising*:

- Blue Owl Digital Infrastructure on its disposal of seven European colocation data centre assets to Apollo.
- e& on its exit from the Khazna Data Center joint venture with G42 for approximately \$2.2 billion.
- e& on its collaboration with HTC to design and develop a white-labelled metaverse platform to be known as "e& universe".
- e& on the creation of a joint venture with G42 to which e& and G42 contributed their respective data centre offerings in the UAE.
- ePLDT on the potential sale of certain data centre assets in the Philippines.
- Stonepeak and MIESCOR on the combination of their joint venture (MIDC) with a joint venture between Macquarie Capital and Global Network Inc (PhilTower) to create one of the largest independent telecommunications towers companies in the Philippines.
- Americana on a joint venture with REEF Technology to open and operate cloud kitchens across the Middle East offering Americana, REEF and third party brands.
