Billur Cinar is an associate in the Paris office of Gibson Dunn, where she is a member of the firm's Technology Transactions and Privacy, Cybersecurity, and Data Innovation Practice Groups.

She assists national and international clients across a wide range of industries, including technology, digital services, luxury, and automative.

Billur's practice focuses on regulatory and contractual matters involving data privacy, cybersecurity, artificial intelligence, e-commerce, and consumer protection. She supports clients in navigating cross-border digital projects and implementing compliance programs aligned with the EU's digital regulatory framework (e.g., GDPR, ePrivacy Directive, AI Act). Her experience also includes privacy-related and contractual litigation, data breach response, and advising on data privacy aspects of mergers and acquisitions.

Admitted to the Paris Bar in 2025, Billur holds a Master's degree in Information Technology Law from the University of Paris II Panthéon-Assas.

She speaks English and French fluently.
