John T. Gaffney is a partner in the New York office of Gibson Dunn and serves as Chair of Gibson Dunn's Cleantech Industry Group. John is also a member of the firm's Power and Renewables, Mergers and Acquisitions, Capital Markets, and Securities Regulation and Corporate Governance Practice Groups. He has extensive experience representing public and private companies in mergers and acquisitions, divestitures, joint ventures, and capital markets transactions. John also advises boards of directors and special committees in corporate governance matters. John has considerable transactional experience advising domestic and international clients across numerous industries, including significant depth in the cleantech, media, telecom, renewable energy, and shipping industries.

John has been ranked as a leading corporate lawyer (Band 1) by *Chambers USA: America's Leading Lawyers for Business* and is described as "a dedicated and detailed lawyer," "excellent, particularly on M&A issues" and "an eminently sensible dealmaker." He has been recognized by *Lawdragon* as a Leading Dealmaker, by the *International Who's Who of Business Lawyers* in Capital Markets as a leading practitioner in domestic and international capital markets transactions and by *The Best Lawyers in America®* in the field of Corporate Law. John was also named BTI Client Service All-Star by *BTI Consulting*, recognizing lawyers "who truly stand out as delivering the absolute best client service."

Prior to joining Gibson Dunn in 2011, John was a partner at an Am Law 100 firm. During his 22 years there, John's practice focused on mergers and acquisitions, divestitures, joint ventures, capital markets transactions and corporate governance matters. In 2008, John left to join his client, First Solar, Inc., the world's largest manufacturer of thin-film photovoltaic solar modules, where he served as Executive Vice President and Chief Legal Officer and led the legal, corporate development and worldwide government affairs functions. In 2010, John joined Solyndra, Inc., a manufacturer of thin-film photovoltaic solar modules, where he served as Senior Vice President, Corporate Development and General Counsel and led the legal, corporate development, worldwide government affairs, and business development-emerging markets functions.

John earned his Juris Doctor and Masters of Business Administration from New York University in 1986. He earned his Bachelor of Arts from The George Washington University in 1982, where he was elected to Phi Beta Kappa.
