Anna Howell is co-chair of the firm's Oil and Gas Practice Group, and a member of the Energy and Infrastructure, Mergers and Acquisitions, Private Equity and Environmental, Social and Governance (ESG) Practice Groups.

Anna advises on complex cross-border transactions in the energy and natural resources sectors with a particular focus in the oil and gas, liquefied natural gas (LNG), power and mining sub-sectors.

Anna routinely advises high-profile clients on some of their most prestigious and challenging matters to take place in the market, including first entries into both mature and emerging markets throughout Europe, Africa, Latin America, Asia Pacific, and the Middle East. Her experience ranges from cross border M&A, the development and financing of projects, joint ventures and restructurings. Anna understands and has advised on the whole energy value chain from upstream concessions and transportation arrangements to downstream commodity sales and trading.

Chambers Global describe Anna as a legal practitioner who "is one of the standout energy lawyers both for M&A and oil and gas work. She's a very smart lawyer, and has a very intelligent approach to negotiations and tactics" and who "consistently impresses clients who value the 'constant dialogue' with her." Other leading publications such as *Chambers UK*, *Chambers Asia Pacific* and *The International Who's Who of Business Lawyers* – Energy routinely rank Anna as a leading individual in the energy and natural resources sector. *Chambers UK* 2024 ranked Anna in Band 1 and noted "Anna is an excellent attorney who provides solid advice.", "Anna focuses on client service and does a great job providing practical legal advice while taking into account the commercial goals." In previous editions, clients noted "she understands the legal aspects of matters and can also apply them in a practical manner to help the client make a decision" and "she has a superb intellect." Anna is ranked as highly regarded in *IFLR1000* 2023 for M&A, Project Development and Project Finance and named by *Expert Guides* to its 2021 Guide to World's Leading Women in Business Law. She is also ranked as a leading individual in *Legal 500 UK* 2024 for Project s Energy and Natural Resources: Oil & Gas and recognised for M&A: upper mid-market and premium deals. In addition, she is recognised in *Who's Who Legal Energy* 2023.

Prior to joining Gibson Dunn, Anna spent over 11 years practising in Asia and has worked in London, Singapore, Hong Kong and Beijing.
