San Francisco

Ernest Hsin is a partner in Gibson Dunn's San Francisco office and is Co-Chair of Gibson Dunn's National Intellectual Property Practice Group. Ernest specializes in high-tech and life sciences patent litigation, representing his clients as lead or co-lead counsel in federal district courts, the Court of Appeals for the Federal Circuit, the USPTO's Patent Trial and Appeal Board, the U.S. International Trade Commission, and the International Chamber of Commerce. Ernest was recognized by the *Daily Journal* as a Top Intellectual Property Lawyer 2023.

Ernest represents leading technology and life sciences companies in some of their most significant intellectual property and technology disputes. Companies he represents and has represented include: Organon, Merck, Peloton, Fitbit, Tesla, VMware, Nestlé, T-Mobile, Avi Networks, Sanofi-Aventis, Amazon.com, Hewlett-Packard, St. Jude Medical, Johnson & Johnson, Ethicon, Electronic Arts, Sharp, Emulex, and CNET (CBS Interactive).

Ernest is also active in pro bono matters, as well as in the legal community. He has served on the Board of Directors of the Asian Law Alliance, an organization that provides free legal services to under-resourced Asian communities in the San Francisco Bay Area.

Ernest received a J.D. from Columbia Law School in 1998 and a Bachelor of Science degree in Mechanical Engineering from the Massachusetts Institute of Technology (MIT) in 1995. He is registered to practice before the United States Patent and Trademark Office.
