New York

Jamal Lama is a partner in the New York office of Gibson Dunn.

Jamal's practice focuses on advising companies and private equity firms across a wide range of industries, with specific experience in energy and infrastructure investments across geographies and asset classes. His representations include domestic and cross-border public and private M&A, joint ventures, preferred equity financings and other strategic transactions.

Prior to joining Gibson Dunn, Jamal served as in-house counsel at Ares Management within the Infrastructure Opportunities, Infrastructure Debt and Alternative Credit businesses where he advised on a range of complex transactions spanning various sectors including fiber, data centers, renewable energy, midstream oil & gas, wastewater treatment, renewable natural gas and power generation.

Jamal is admitted to practice in the State of New York and the State of Colorado.
