Ramona Lin

Associate Attorney

rlin@gibsondunn.com
T: +1 202.887.3728
Washington, D.C.

Yun Ramona Lin is an associate in Gibson Dunn's Washington, D.C. office. She is a member of the firm's Litigation and White Collar Defense and Investigations Practice Groups.

Ramona has represented clients, including major multinational corporations and individuals, in the telecommunications, technology, consumer goods, pharmaceutical, and energy industries. Drawing on her bilingual background, she liaises seamlessly with clients in both English and Mandarin and advises on complex litigations and high-stakes criminal, regulatory, and internal investigations, with a focus on antitrust, patent, and corporate compliance matters. She has experience in various phases of litigation and investigation, including managing discovery and document productions, preparing for depositions, working with experts, drafting pre-trial motions, conducting witness interviews, participating in government meetings, advising clients on investigative strategies, designing remediation measures, and drafting investigation reports.

Representative litigation matters:

- Represented SharkNinja in wide-ranging set of cases against Dyson regarding hair care and vacuum patents in the District of Massachusetts. Obtained very favorable settlement for SharkNinja;
- Represented T-Mobile against Lycamobile in a commercial dispute in the Washington State Superior Court;
- Representing Apple in a series of antitrust class actions in the Northern District of California.

Representative confidential investigation matters:

- Representing a global telecommunications company in a criminal investigation before DOJ;
- Completed a secondment at a Fortune 100 technology company, focusing on Asia-based compliance issues;
- Represented a global consumer packaged goods company in an anti-corruption investigation;
- Represented a global telecommunications company in an anti-corruption investigation;
- Represented a global technology company in an internal investigation into potential books and records violations;
- Represented a global technology company in an anti-corruption investigation;
- Represented a global medical device company in a series of China-based
