Katie Marquart is a partner in Gibson Dunn's Los Angeles office and is the Firm's Pro Bono Chair. In this role, Ms. Marquart manages and coordinates the Firm's *pro bono* efforts globally, which have totaled more than 1.5 million hours valued at more than \$1 billion under her leadership. She also maintains an active practice in areas including criminal justice, civil rights, constitutional law, and immigration. Ms. Marquart began her career as a litigation associate at the Firm, where her practice focused on complex business litigation, transnational litigation, and internal investigations and regulatory inquiries.

Since taking the helm of Gibson Dunn's *pro bono* practice in 2013, Ms. Marquart has played an integral role in many of the Firm's most significant *pro bono* engagements. In addition to personally representing clients in a variety of litigation matters—including lawsuits focused on civil rights, immigration, and the First Amendment—Ms. Marquart has spearheaded the Firm's efforts to respond to some of the most pressing issues of the day. In this role, she liaises with corporate clients and nonprofit community partners to collaborate on *pro bono* matters, including facilitating and overseeing numerous partnerships in the areas of criminal justice, racial justice, and immigration, among other sectors of public interest law.

Recent representative matters include:

- **Abuse of Material Witness Statutes:** Representing a young woman who was wrongfully incarcerated under Louisiana's material witness statute—despite being accused of no wrongdoing and agreeing to testify voluntarily regarding the crime she witnessed—in lawsuit arguing prosecutors violated her Fourth and Fourteenth Amendment rights.
- **Justice for Women and Girls:** Launched a new initiative bringing together attorneys from across the Firm to advance justice and equity for women and girls through (1) educational equity; (2) access to healthcare; (3) legal and social equity; (4) economic empowerment; and (5) prevention of violence against women.
- **Jones v. City of Los Angeles:** Co-lead counsel in *Deon Jones v. City of Los Angeles (C.D. Cal.)*, a historic civil rights victory over an LAPD officer who shot Mr. Jones in the face while he was peacefully protesting in the aftermath of the George Floyd murder. After a 7-day trial, a federal jury determined that the officer had violated Mr. Jones' Fourth Amendment rights and awarded Mr. Jones \$375,000 in compensatory and punitive damages. The City of Los Angeles ultimately settled Mr. Jones' civil rights claims for \$860,000.

In 2024, Ms. Marquart received Human Rights First's Marvin E. Frankel Award for Pro Bono Service, in recognition of her leadership in advocating for Afghan refugees in the United States. Under Ms. Marquart's leadership, Gibson Dunn is consistently recognized
