Arnaud Moulin is of counsel in the Paris office of Gibson Dunn, where he serves as a member of the firm's Finance and Business Restructuring Practice Groups.

He specializes in structured finance transactions, in particular in the context of LBO transactions, and complex cross-border debt restructuring transactions. He seamlessly represents senior and junior lenders, financial sponsors, borrowers, and distressed investors in their significant strategic transactions.

Arnaud is experienced in acquisition finance (whether using all-senior, senior, second lien, unitranche, mezzanine or PIK financing), advising lenders, borrowers and sponsors on leveraged buy-outs, build-ups and corporate acquisitions. He also has experience in acting for lenders and borrowers in relation to investment-grade syndicated facilities, other corporate loans, and bridge financing. Arnaud also advises on bespoke financings for companies that require more complex corporate financings, including "special situation" financings for companies struggling to raise debt post-restructuring.

Prior to joining Gibson Dunn, he practiced as a law clerk at a leading British law firm.

Admitted to the Paris Bar since 2017, Arnaud graduated from University Paris 2 – Panthéon Assas in 2016 with a Master's degree in Business and Tax law, and from EM Lyon Business School in 2014 with a M.Sc in Management (Programme Grande Ecole). He also obtained a Certificate of Proficiency in English in 2006 from Cambridge University.

Arnaud speaks French and English fluently, and is proficient in German.
