New York

Toren Murphy is a partner in the New York office of Gibson, Dunn & Crutcher. He is a member of Gibson Dunn's Projects and Infrastructure, Latin America, Capital Markets and Finance Practice Groups.

Mr. Murphy's practice focuses on infrastructure projects, with substantial experience in public-private partnerships (PPPs) and related concessions or leases of infrastructure assets between public grantors and private sector developers and operators, with expertise in transportation infrastructure, including roads, bridges, rail, airports and seaports, as well as social infrastructure and campus utility system PPPs. His experience covers project procurement, concession and lease documentation, construction contracts, and project finance, including project bonds and TIFIA loan financings, as well as secondary market acquisitions and divestitures of infrastructure assets. He also has significant regional expertise working on various types of structured and corporate financing transactions in various jurisdictions across Latin America.

Chambers USA: America's Leading Lawyers for Business and *Chambers Global: The World's Leading Lawyers for Business* recognize Mr. Murphy nationally as a leading lawyer in Projects: PPP. He is described as "a really sharp lawyer who is devoted to his clients."

Representative Transactions:

Rail

- Representation of Purple Line Transit Partners LLC, the concessionaire in respect of the Purple Line Light Rail Project in Maryland, in connection with various construction-related disputes with the Maryland Department of Transportation and the Maryland Transit Administration, the procurement of a new design-build contractor and the \$2.6 billion refinancing of the project with private activity bonds, a TIFIA loan and committed equity. Awarded 2023 North America Restructure Deal of the Year by *IJ Investor* and 2022 North America Transport Deal of the Year: Restructure by *IJ Global*.

Ports

- Representation of Macquarie Asset Management (MAM) in connection with the acquisition of a 49% interest in TraPac LLC, operator of container terminals under preferential assignment agreements with the City of Los Angeles and the Port of Oakland, including negotiation of a new terminals services agreement with Ocean Network Express (ONE).
- Representation of MAM on the sale of Ceres Terminals, a leading provider of stevedoring and terminal operation services in North America, to Carrix, a portfolio company of Blackstone Infrastructure Partners.
