Bethany Saul (she/her) is an associate in the Litigation Department, where she specializes in trial litigation and complex civil litigation. She represents clients in commercial disputes across a range of practice areas, including securities litigation, class actions, contract disputes, and M&A litigation, and government and internal investigations. Bethany has considerable trial experience, including arbitral hearings and bench trials in federal and state courts.

Bethany maintains an active pro-bono practice, which was recognized in December 2023, when she won the Frank Wheat Memorial Award for her commitment to pro-bono work in the immigration/asylum and reproductive justice space. Bethany is also actively involved in diversity and mentorship programming, serving as Co-Chair of the Women's LGBTQ+ committee and formerly serving on the Junior Board of Legal Services NYC for three years.

Bethany earned her B.A. from Boston University, *summa cum laude*, Phi Beta Kappa, and her J.D. from New York University School of Law, where she was a research assistant in both administrative law to Professor David Kamin and federal civil procedure to Professor Arthur R. Miller, for whom she revised the Wright & Miller Federal Practice & Procedure treatise. She served as an extern to the Honorable Judge J. Paul Oetken of the Southern District of New York.

Securities Litigation and Regulation

- Represented U.S.'s largest pipeline company in connection with securities fraud class action, supporting discovery, motion for summary judgment, and trial preparation, all of which ultimately resulted in favorable settlement.
- Briefed successful motion to dismiss for solar energy company and its senior officers in purported securities fraud class action, as well as follow-on derivative actions filed in S.D.N.Y. and Delaware courts.
- Represented international development bank in connection with multiple federal and state law claims, with specific attention to state-law market manipulation and breach of fiduciary duty claims.
- Represented publicly-traded software company in internal investigation in response to allegations of improper recognition of revenue. Following presentation to staff, the SEC closed the investigation.
- Represented a family office in multiple mediation proceedings, developing claims related to cryptocurrency investments and SEC and New York regulation of digital asset sales.
- Represented multinational investment bank in SEC Section 16 inquiry, requiring highly expedited internal investigation and discovery, resulting in inquiry closure.
