Houston

Gerry Spedale is a partner in the Houston office of Gibson, Dunn & Crutcher. He has a broad corporate practice, advising on mergers and acquisitions, joint ventures, capital markets transactions and corporate governance. He has extensive experience advising public companies, private companies, investment banks and private equity groups. His over 30 years of experience covers a broad range of industries, with a focus on the energy industry, including upstream, midstream, downstream, oilfield services and utilities.

Mr. Spedale has been widely recognized, including by *Chambers Global* and *Chambers USA: America's Leading Lawyers for Business* in Capital Markets: Debt & Equity: Nationwide and in Texas. He has also been recognized by *The Best Lawyers in America*® (2012-2025), *Texas Super Lawyers* in the Securities & Corporate Finance and Mergers & Acquisitions categories (2019-2020, 2023-2024), and as a *Lawdragon 500* Leading Energy Lawyer (2023-2024).

His recent and ongoing experience includes advising:

- Juniper Capital in its pending merger of certain portfolio companies with assets in the DJ and Powder River Basins with Amplify Energy Corp
- The Conflicts Committee of Delek Logistics on the purchase of a joint venture interest in the Wink to Webster Pipeline?
- Calumet Specialty Products Partners, L.P. in connection with its conversion from a master limited partnership to a C-Corporation
- Dril-Quip, Inc., a developer, manufacturer, and provider of highly engineered equipment, service and innovative technologies for use in the energy industry, on its merger with Innovex Downhole Solutions, Inc.
- Oaktree Capital Management L.P. in connection with its joint \$460 million ESG-aligned asset backed securitization transaction with Diversified Energy Company
- SilverBow Resources, Inc. in its acquisition of substantially all of the assets of Sundance Energy, an operator of onshore oil and gas exploration properties, for a purchase price of \$354 million paid through a mix of cash and SilverBow stock
- Oxy Low Carbon Ventures on (i) its purchase of Series G-1 preferred stock in Newlight Technologies, a leader in decarbonization technology, and (ii) its equity investment in Cemvita Factory, a company focused on transforming CO2 into value-added products
- TLG Acquisition One Corp., a publicly traded special purpose acquisition company, in its merger with Electriq Power, a provider of intelligent energy storage and management for homes and small businesses
- Chief E&D Holdings, LP and Tug Hill, Inc. in the \$2.65 billion acquisition by
