Oleh Vretsona is a partner in the Washington, D.C. office of Gibson, Dunn & Crutcher. He currently practices in the firm's Litigation Department, where he focuses on white collar criminal defense, internal investigations, regulatory inquiries, and corporate compliance. Oleh has represented clients in a wide variety of matters, including matters arising under the U.S. Foreign Corrupt Practices Act, and he has advised clients on structure and implementation of corporate compliance programs.

Oleh has significant experience in conducting internal investigations and advising clients on the effectiveness of their internal compliance controls. Oleh has managed numerous internal investigations for publicly held corporations involving operations in Russia, Eastern Europe, China, the Middle East, and various other countries and regions, and conducted extensive fieldwork in those countries, including numerous witness interviews. In the area of corporate compliance, Oleh's work often includes performing compliance risk assessments, compliance program evaluations, and due diligence reviews, as well as advising on reporting mechanisms, internal payment controls, third-party controls, compliance training and messaging, and various compliance policies.

Oleh's engagements include:

- Currently representing a U.S. multinational in a major government and internal investigation regarding allegedly improper business practices in Europe, including Russia;
- Currently representing a life sciences company in an internal investigation relating to distributor operations in Belarus;
- Currently representing a foreign mining company in a government investigation relating to Eastern Europe.
- Currently representing a U.S. pharmaceutical company in a government investigation involving operations in Eastern and Central Europe and the Middle East;
- Currently representing a multinational pharmaceutical company in several internal investigations into business practices and distributor operations in Central and Eastern Europe and the Caucasus;
- Represent a major U.S. public research and technology manufacturing company in an internal investigation relating to a distributor in Eastern Europe;
- Represented a leading food and beverage company in connection with internal investigations in Azerbaijan, Russia, and Ukraine;
- Represented a European telecommunications company in connection with an anti-corruption risk assessment project relating to construction projects in Russia and the CIS;
