Betty Yang is a trial lawyer and co-chair of Gibson Dunn's global Trial Practice Group. Betty represents clients in their highest-stake trials across a multitude of disciplines—including antitrust, labor & employment, life sciences, intellectual property, bankruptcy, and oil & gas.

Betty has earned wide recognition for her work on trials and complex civil litigation. *Chambers USA* ranks Betty among the top commercial litigators and antitrust lawyers in Texas. *Law360 and Business Insider* have recognized Betty as a "Rising Star" in the Trial category. *Lawdragon* has named Betty to its "500 Leading Global Antitrust & Competition Lawyers," "500 Leading Litigators in America," and "500 Leading Global Litigators guides." Betty has also been recognized by *Benchmark Litigation* as a "Future Star," included in the *Dallas Business Journal's*"40 Under 40" list, and named by *Texas Lawyer* as an attorney "On the Rise."

Representative Matters*

- Trial counsel for minority shareholder in dispute over Cici's Pizza franchise. After a 7-day jury trial in Dallas County, obtained a $46 million jury verdict plus $9 million attorney's fees award and defeated all counterclaims against client. Judgment was entered in January 2026, and the case is on appeal.
- Trial counsel for Apple in antitrust case brought by Epic Games Inc. described in the press as "*the Super Bowl of Antitrust*." After a three-week bench trial, Judge Yvonne Gonzalez Rogers ruled in favor of Apple on all antitrust claims.
- Trial counsel for a large U.S. manufacturer in an international arbitration where the claimant alleged fraud and breach of contract and sought over one billion dollars in damages. After a three week arbitration, the three-member tribunal ruled entirely in favor of the client, awarding it attorneys' fees and costs from claimant.
- Trial counsel for leading insurance company in highly-publicized month-long trial relating to confirmation of the bankruptcy plan filed by the insured, Boy Scouts of America. Following the month-long trial, the court denied confirmation of the plan until Boy Scouts addressed the primary objections raised by the client.
- Trial counsel for EPC contractor clients defending a $10 billion arbitration alleging fraud and breach of contract relating to the construction of an oil refinery. After a month-long trial, obtained a unanimous take-nothing judgment.
- Trial counsel for pharmaceutical company client in antitrust case involving novel bundling theories asserted by a competitor. Case is currently in post-trial proceedings.
- Trial counsel for Fortune 100 company in case alleging patent infringement, fraud, and breach of contract in connection with a medical device. Case reached favorable settlement soon after trial began.

GIBSON DUNN

- Trial counsel for a private equity firm in a dispute with an operator. After a two week arbitration, the three-member tribunal ruled in favor of the client.
- Trial counsel for pharmaceutical company client in False Claims Act *qui tam* suit brought by a generic competitor, with hundreds of millions of dollars at issue. Obtained full dismissal and award of costs and attorneys' fees for client.
- Represented global pharmaceutical company in antitrust action asserting novel "product switching" or "product hopping" theory brought by generic pharmaceutical manufacturer.
- Represented leading fintech company in litigation brought by Federal Trade Commission alleging violations of Section 5 of the FTC Act and Gramm-Leach-Bliley Act in company's personal and auto loan businesses.
- Represented major oil and gas company in litigation relating $500 million acquisition of midstream assets.

**Includes matters handled prior to joining Gibson, Dunn & Crutcher LLP.*

Outside of the courtroom, Betty is committed to advancement of the legal profession on issues of equality and justice. Betty maintains an active pro bono practice and serves on the board of directors for the Human Rights Initiative of North Texas. Betty also serves as the co-chair of the Texas chapter of the ChIPs Network, an organization that advances and connects women in technology, law, and policy.

Betty received her Juris Doctor from Duke University School of Law and received her Bachelor of Arts degree in Chemistry from Emory University. During college, Betty worked in the physiology department of Emory University School of Medicine, where she studied the myosin heavy chain composition of the styloglossus muscle in rhesus macaque monkeys.

Betty is a member of the Texas Bar. She is proficient in Mandarin Chinese.
