Shout-out to a Gibson, Dunn & Crutcher team led by Trey Cox, Brian Lutz and Colin Davis, who took over defense of a securities case against client Energy Transfer after the suit survived a motion to dismiss and a class was certified. Plaintiffs claimed the company had misled investors about its pipeline projects across Pennsylvania. But after U.S. District Judge Gerald McHugh in Philadelphia left only claims tied to one corrective disclosure from the company standing after cross-motions for summary judgement last year, the company entered a $15 million settlement, which received final approval from the judge last week. The Gibson Dunn team included Lissa Percopo and associates Holly Rooke, Dana Sherman, Luke Dougherty and Lydia Lulkin.
