

Matt Axlerod Quoted in Wall Street Journal's "Huawei Faces U.S. Criminal Trial Weeks Before Trump-Xi Meeting"

In the Media | September 9, 2026

Partner Matt Axelrod is quoted in the [Wall Street Journal](#) article "Huawei Faces U.S. Criminal Trial Weeks Before Trump-Xi Meeting" as saying that a guilty verdict could hinder Huawei's ability to deal with some banks and customers globally: "It is harder to do business with companies that have been convicted of felonies. That is a significant thing."
