Media Report Gibson Dunn Adds ‘M&A, Licensing and Tech Expert’ Jonathan Ashtor in New York

In the Media | September 3, 2026

The recent arrival of Jonathan Ashtor in New York generated prominent media attention from leading legal and industry publications, highlighting the firm’s momentum in technology transactions.

The Information described the hire as “the latest in Gibson Dunn’s aggressive push to recruit from rivals.” The publication also highlighted the firm’s work on major technology transactions, including SpaceX’s merger with xAI and its IPO.

World Intellectual Property Review described Jonathan in its headline as an “M&A, licensing and tech expert.”

Additionally, *The Deal* reported on his appointment as Co-Chair of the firm’s Technology Transactions Practice Group and noted that his experience “spans major cross-border transactions across sectors including semiconductors, life sciences, quantum technology, e-commerce, chemicals and manufacturing.”
