Michael Bopp Quoted in The Washington Post's "Democrats Plan Big Trump Probes if They Win Congress. Then the Real Fights Begin"

In the Media | November 2, 2026

The Washington Post

Partner Michael Bopp was quoted in The Washington Post's "Democrats Plan Big Trump Probes if They Win Congress. Then the Real Fights Begin." Michael said: "This is an unprecedented level of activity in advance of an anticipated change in control. At least in my experience over the last three decades, I haven't seen this much investigative activity in anticipation of a change in control of a house of Congress ever."
