A report filed in federal court in Manhattan by partner Mylan Denerstein in her capacity as NYPD Monitor is the subject of a *New York Times* article. The report found that the NYPD made unlawful stop-and-frisk stops at least a quarter of the time in 2023 and that command-level supervisors had regularly failed to address them. Mylan is Co-Chair of our Public Policy Practice Group and Co-Partner in Charge of the firm's New York office. She was appointed in 2022 to serve as the independent NYPD Monitor to oversee a court-ordered reform process. <https://www.nytimes.com/2025/02/03/nyregion/nypd-stop-and-frisk-monitor.html>
