

Partner Scott Greenberg is Guest on Debtwired Podcast

In the Media | May 6, 2025

Debtwire

Partner and Global Chair of our Business Restructuring and Reorganization Practice Group Scott Greenberg joins Debtwire's co-managing editor Madalina Iacob on the [Debtwired podcast](#) to discuss how changing market dynamics are impacting deal activity, liability management exercises (LMEs), and what the rest of 2025 may hold for restructurings.

In their wide-ranging conversation, Scott explores trends in multi-tier LMEs, carve-out premiums, and group formation strategies. He also analyzes the impact of cooperation agreements on deal outcomes, provides insights into cross-border LMEs, and discusses how cultural differences can affect investment decisions.
