

# Partner Stephen Glover Discusses Joint Venture Governance Challenges and Opportunities

In the Media | April 15, 2025

Financier Worldwide Magazine

---

Partner Stephen Glover (Washington, D.C.) spoke extensively with *Financier Worldwide Magazine* about the challenges and opportunities presented by joint venture governance, including the link to performance. “There is a very strong correlation between JV governance and JV performance,” Stephen told the magazine. “Governance systems should be designed to ensure that the partners have a voice in the decisions that they view as most important, that they are incentivised to resolve disputes, and that JV management has sufficient flexibility to respond to changing business conditions.”
