Partners Andrew Lance and James Hallowell Share Insights on New York Religious Real Estate Transactions with Law360

In the Media | May 22, 2025

Law360

Partners Andrew Lance and James Hallowell shared their insights with Law360 on the complexities of religious real estate transactions in New York City. Drawing on their deep experience, they explained such deals must not only pass an extensive regulatory review but also demand an understanding of the missions and governance structures of the faith-based organizations involved.
