Dow Jones Risk Journal

The Dow Jones Risk Journal (subscription required) published “The Compliance Program Resilience Score in Action,” the final article in a three-part series by partner Robert Blume and Nscale chief legal officer Adam Rosman on measuring the value of a compliance program. In this article, they explore an example of the same tool being applied to two companies with different risk profiles yielding two opposite answers on where the next dollar should go.

View first two parts of the series (subscription required): “The Value of Nothing Bad Happening” and “How to Score the Value of a Compliance Program.”
