Robert Little Leads The Texas Lawbook's Corporate Deal Tracker for First Half 2026

In the Media | July 20, 2026

Partner Robert Little tops The Texas Lawbook's (subscription required) list of highest-performing individuals in its Corporate Deal Tracker. His four deals of $1 billion or more in the first half of 2026 with a combined value of $328.5 billion led all lawyers in deal amounts and values for Texas-led and Texas-related transactions. The gap between Robert and his peers is "so large that it effectively creates a separate tier just for him."

Partners Tull Florey, Hillary Holmes, and Joe Orien also appear on the charts for Texas-led and Texas-related transactions.
