

Sandy Bhogal Quoted in Bloomberg Law About UN Tax Project

In the Media | August 5, 2025

Bloomberg Law

Partner Sandy Bhogal, Co-Chair of our global Tax Practice, spoke to [Bloomberg Law](#) about an ambitious United Nations tax project that will bring all countries together to forge global corporate tax rules reflecting the will of developing economies.

Sandy said: “Given all of the selling that they have done hard to the developing countries about how it will be a more consultative and consensual process, now they’re going to have to prove it.”
