GIBSON DUNN

Seven Gibson Dunn Partners Recognized by Lexology Index's 2025 Private Funds Report

Accolades | December 3, 2024

Lexology Index

Lexology Index (formerly Who's Who Legal) named seven Gibson Dunn partners to its 2025 Private Funds report. Shukie Grossman was recognised as a Thought Leader in Private Funds – Formation, and Private Funds – Regulatory. Albert Cho, John Fadely, Jennifer Bellah Maguire, Roger Singer, Edward Sopher and Bill Thomas were all recommended in the field of Private Funds – Formation. The guide was published on November 26, 2024.

Gibson Dunn offers one of the leading investment fund practices with a seasoned team that know the ins and outs of the investment fund industry. With extensive experience and a deep bench, our team provides the full scope of fund services addressing the challenges and opportunities facing investment fund managers in today's market. From fund formation to fund servicing and tax planning, to complex secondaries and management company transactions to regulatory and compliance, the Gibson Dunn team provides top-of-the-market knowledge and delivers senior-level service that is commercial in nature.
