Vivek Mohan Quoted in Agenda's "Another Production Line Dries Up After Ransomware Attack"

In the Media | July 27, 2026

Partner Vivek Mohan, Co-Chair of our Artificial Intelligence Practice Group, is quoted in Agenda's (subscription required) "Another Production Line Dries Up After Ransomware Attack." Vivek spoke about how companies can effectively prepare, manage, and respond to incidents arising from the increased automation and delegation of workflows to AI.
